Title: Where Do You Start

UPC: 0026139775

With his rich, sonorous voice and impeccable sense of swing, vocalist Bill Coté explores the best of the Great American Songbook on his debut CD, "Where Do You Start." Featuring inventive arrangements by piano great Tamir Hendelman and a band comprising jazz luminaries Joe LaBarbera, Graham Dechter, Martin Wind, and Bob Sheppard, "Where Do You Start" evokes the sound and feel of a Johnny Hartman album, yet set against a modern harmonic palette. Whatever Bill Coté sings, whether a swing tune or ballad, he suffuses it with the heart and soul that comes from a lifetime of achievements and a deep emotional connection to the music that touches audiences in a way that is both personal and universal.
